

Student Title IV Authorization Form

Student's Name: _____ **CCSNH ID:** _____

Federal Title IV funds include Pell Grants, SEOG Grants, and Direct Loans. You must complete a Title IV authorization form to instruct the College on how to apply any remaining Title IV credit balance (funds remaining after institutional charges are paid) on your student account for each semester.

BOOK AUTHORIZATION:

If your financial aid is complete, you may elect to use your remaining Title IV funds to purchase or rent books and supplies from the campus bookstore.

If you select yes for this authorization, the book advance will automatically be set up for you at the campus bookstore. Confirmation of the book advance and spending limit may be found on your SIS account. You must show your school ID (or other government-issued picture ID) and a copy of your schedule at the bookstore when making your purchase.

Your book advance may only be used during the book advance period, usually two weeks prior and three weeks following the beginning of each semester. The amount of your book and/or supply purchase will be charged to your student account. Your remaining Title IV credit balance will be applied to these charges.

- Yes, I authorize the College to setup a book advance for me at the campus bookstore.
- No, I do not authorize the College to setup a book advance for me at the campus bookstore. I will pay at the bookstore using another method.

CURRENT SEMESTER CHARGES AUTHORIZATION:

Federal regulations permit students to authorize Title IV financial aid funds to pay for current semester non-institutional educationally related charges such as school health services, parking and library fines, parking permits, on-campus childcare service charges, and other educationally related goods and services that the student incurred. If you are eligible for federal financial aid in excess of tuition and fees, and you wish to use this excess to cover current semester non-institutional charges, you must authorize the College to pay these charges.

PRIOR YEAR CHARGES AUTHORIZATION:

Federal Title IV financial aid funds may pay up to \$200 of prior year educationally related expenses with your authorization. Educationally related expenses include, for example, school health services, parking and library fines, parking permits, bookstore charges that you have incurred.

- Yes, I authorize the College to use Federal Title IV funds to pay prior year allowable educationally related charges other than tuition, fees, and on campus room and board not to exceed \$200.
- No, I do not authorize the College to use Federal Title IV funds for other educationally related prior year charges.
